About me:

I am a guy with a strong interest in the field of renewable energy, where I work. My interest pushes me not to stop just at work, but at always be informed about everything about this world, too through foreign references (e.g. new laws, webinars, newspapers, etc.). Great learning ability and great desire to learn day after day new things. Passionate about computer science, I have been studying at the Uninettuno International Telematic University, in the Faculty of Engineering Informatics.

WORK EXPERIENCE

20/06/2020 – 14/10/2020 – San Cataldo, Italy

WORKER AND WAREHOUSE WORKER – MS TENDA

This experience started as a simple summer job, which took me a lot, and it became a real job until October. My role included warehouse management, which required a great attitude to general order, and also the actual assembly of the material made available by the company (curtains, mosquito nets, shower cubicles, gazebos, etc.). The work also involved many trips, in the province, but also around Sicily.

30/06/2019 – CURRENT – San Cataldo, Italy

WORKER – FRATELLI MOSCA ONORANZE FUNEBRI

This was my first job experience, it helped me a lot, to enter in the world of work, which was new to me.

23/06/2021 – CURRENT – Caltanissetta, Italy

UNIVERSAL CIVIL SERVICE VOLUNTEER – CONFCOOPERATIVE CALTANISSETTA

Since June 2021, after being eligible for the interview, I started a new work experience concerning the universal civil service. I chose the civil service, because I have always tried to help people less fortunate than myself, and what better job than the civil service. My job consists in helping people inside the structure where I work, a retirement home, where about 25 elderly people are resident, I try to help them by always being close to them, comforting them in times of need and having a laugh during the course of the day.

08/04/2022 – CURRENT – Caltanissetta, Italy

OFFICE TECHNICIAN – VIVERECO S.R.L

Company that works in the field of renewable energy. Specifically, I deal with:

- Design, via AutoCad.
- To manage, through the portal of the various affiliated companies (see e-distributions), the various practices of our customers.
- Customer Support.

EDUCATION AND TRAINING

14/09/2015 – 19/06/2020 – Viale della regione 71, Caltanissetta, Italy

HIGH SCHOOL DIPLOMA – IISS Sebastiano Mottura

The main subjects in my field were electronics, electrical engineering, automatic systems and the design of them. I consider myself very lucky to have had professors who really made me understand the importance of the world of electronics, they made me passionate about it And over the years they made us study really useful and important things, which I will always remember because they are things that really interest me.
